

Impacts of Tourism development in Hawaii on PLACE

Part 9: NATURAL ENVIRONMENT – Marine Environment in General

Write your answer on the top of page 71. See your teacher if you need extra paper for your answers.

1. What activities do you think tourists do that relate to the Marine Environment? Write your answer on the top of page 71 in your workbook.
2. Read about Hawaii's Marine Environment on the AGGS Weebly (Scroll down to 'Impacts of Tourism Development in Hawaii on Place'). Add notes to the top of page 71 in your workbook.
3. Download the 'Marine Wildlife Viewing Guidelines' on the Weebly. Explain 3 ways to view marine wildlife in a sustainable way.
4. Watch the video 'Protecting Sealife on the Weebly and add to your notes.

Impacts of Tourism development in Hawaii on PLACE

Part 10: NATURAL ENVIRONMENT – Spinner Dolphins and Hanauma Bay

1. Read about the **Spinner Dolphins** on page 71 of your workbook. Then go the AGGS Geography Weebly page and follow the link to find out more. Explain **WHY** tourism can impact them and **WHAT** is being done to minimise these impacts.

2. **Hanauma Bay** is a key attraction in Hawaii. Explain how tourism development has impacted on Hanauma Bay by using the article on page 100 of your work book and information on the Weebly. Include notes on the negative impacts and what has happened to look after the area to reduce the impact of tourism. Write your answer on the bottom of page 71.
3. If you get time, have a break and watch the video under Hanauma Bay from High School Musical.

Impacts of Tourism development in Hawaii on PLACE

Part 11: NATURAL ENVIRONMENT – The Beaches

Read about why the beaches are replenished, on page 72 of the workbook. Also read the article *'Hawaii's Waikiki Vanishing'* on page 93 of the workbook.

Read the information on the Weebly about Waikiki Beach and watch the video *'Improving Waikiki's Beaches comes at a cost'*.

Answer the questions about the beach on page 72 of the workbook.

Impacts of Tourism development in Hawaii - PEOPLE AND PLACE

Part 13: SUMMARY - Maui

Watch the video 'Tourism: The Fate of Maui' and write on page 73 the impact of Tourism on the people and environment of Maui. This video was made by school children from Maui
